

# Leapfrogging to the Future

## Transforming Otago's Research Landscape

Cate Bardwell, Deputy University Librarian

John Milnes, Research Information Manager

E-Research Australasia, Brisbane, October 2023

Current situation

# The Vision

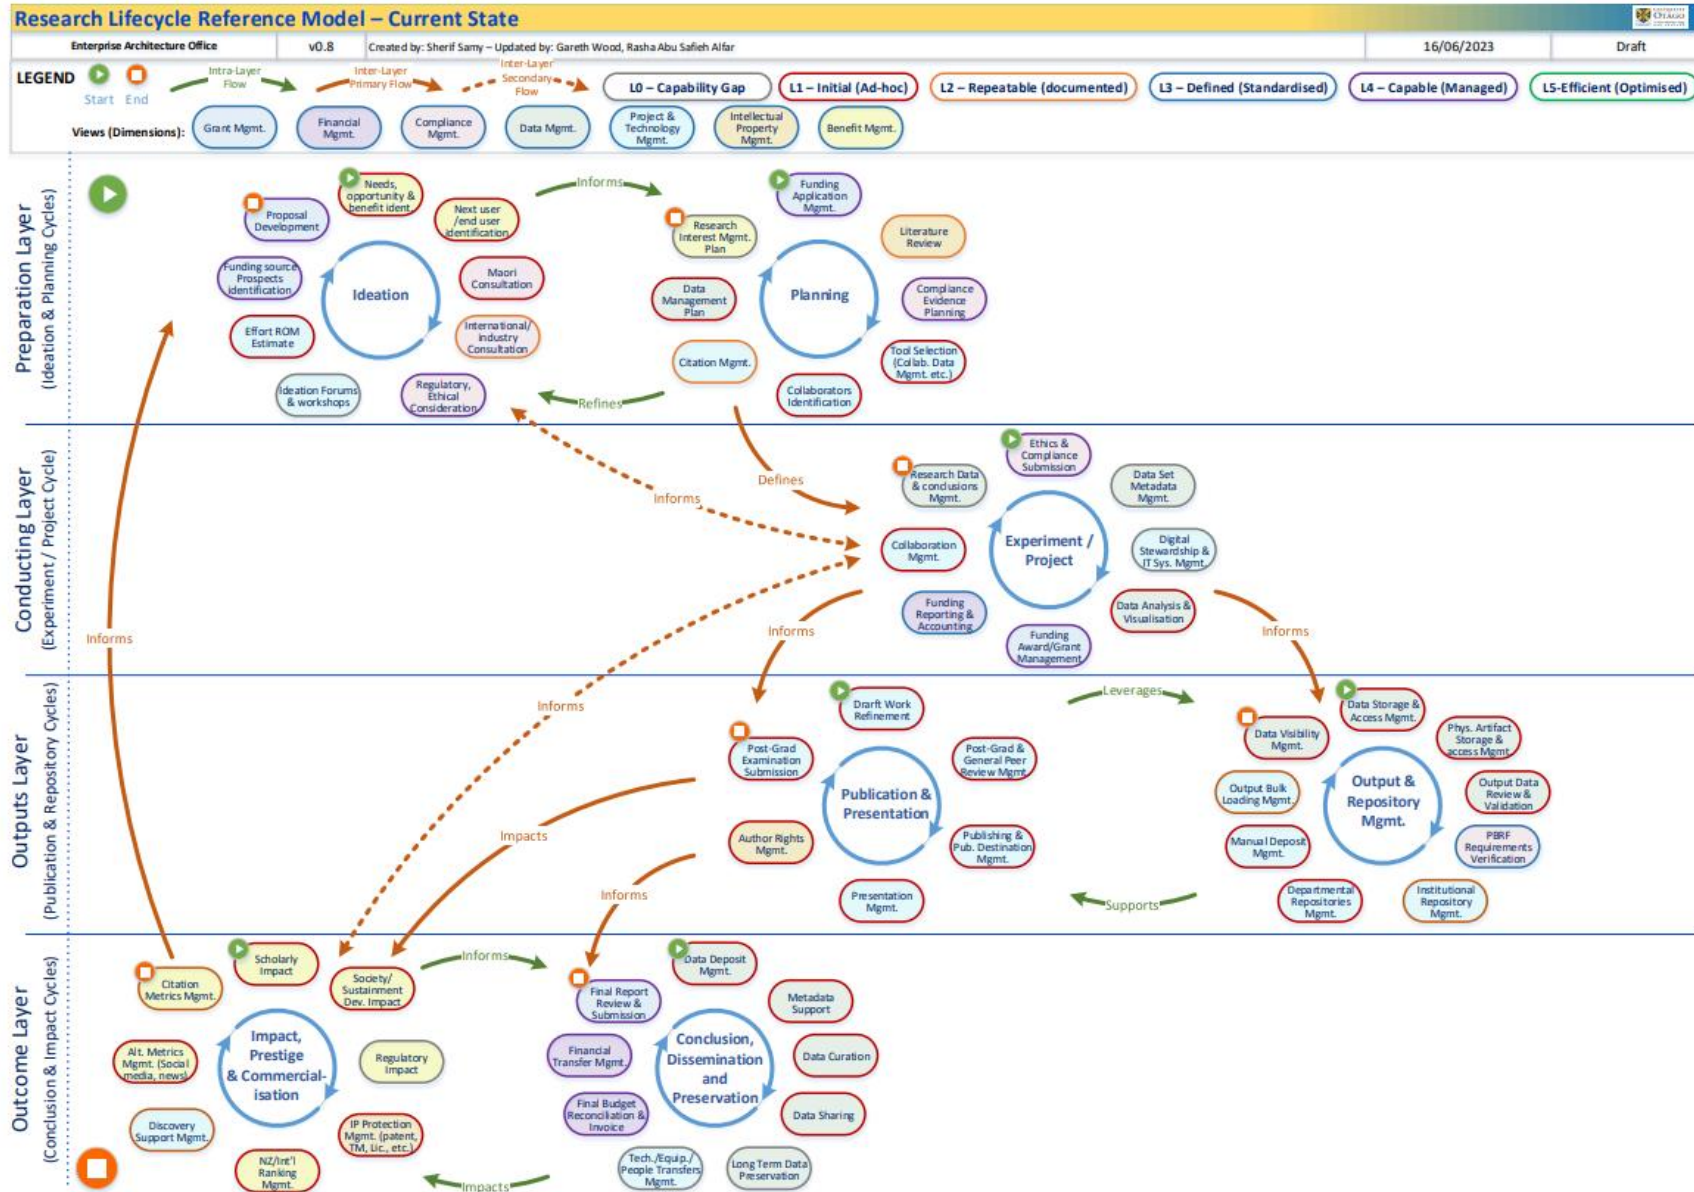

# Strand 1: Institutional Repository - OURArchive

- Why?
  - Outdated, bespoke system
  - More efficient workflows
  - Increase research outputs to boost rankings
  - Integration with other systems
- What's in it for the Researcher?
  - Compliance – MBIE OA Policy & Universities NZ
  - Research Impact/better visibility of Otago's Research Outputs
  - Automated workflows
  - Copyright compliance

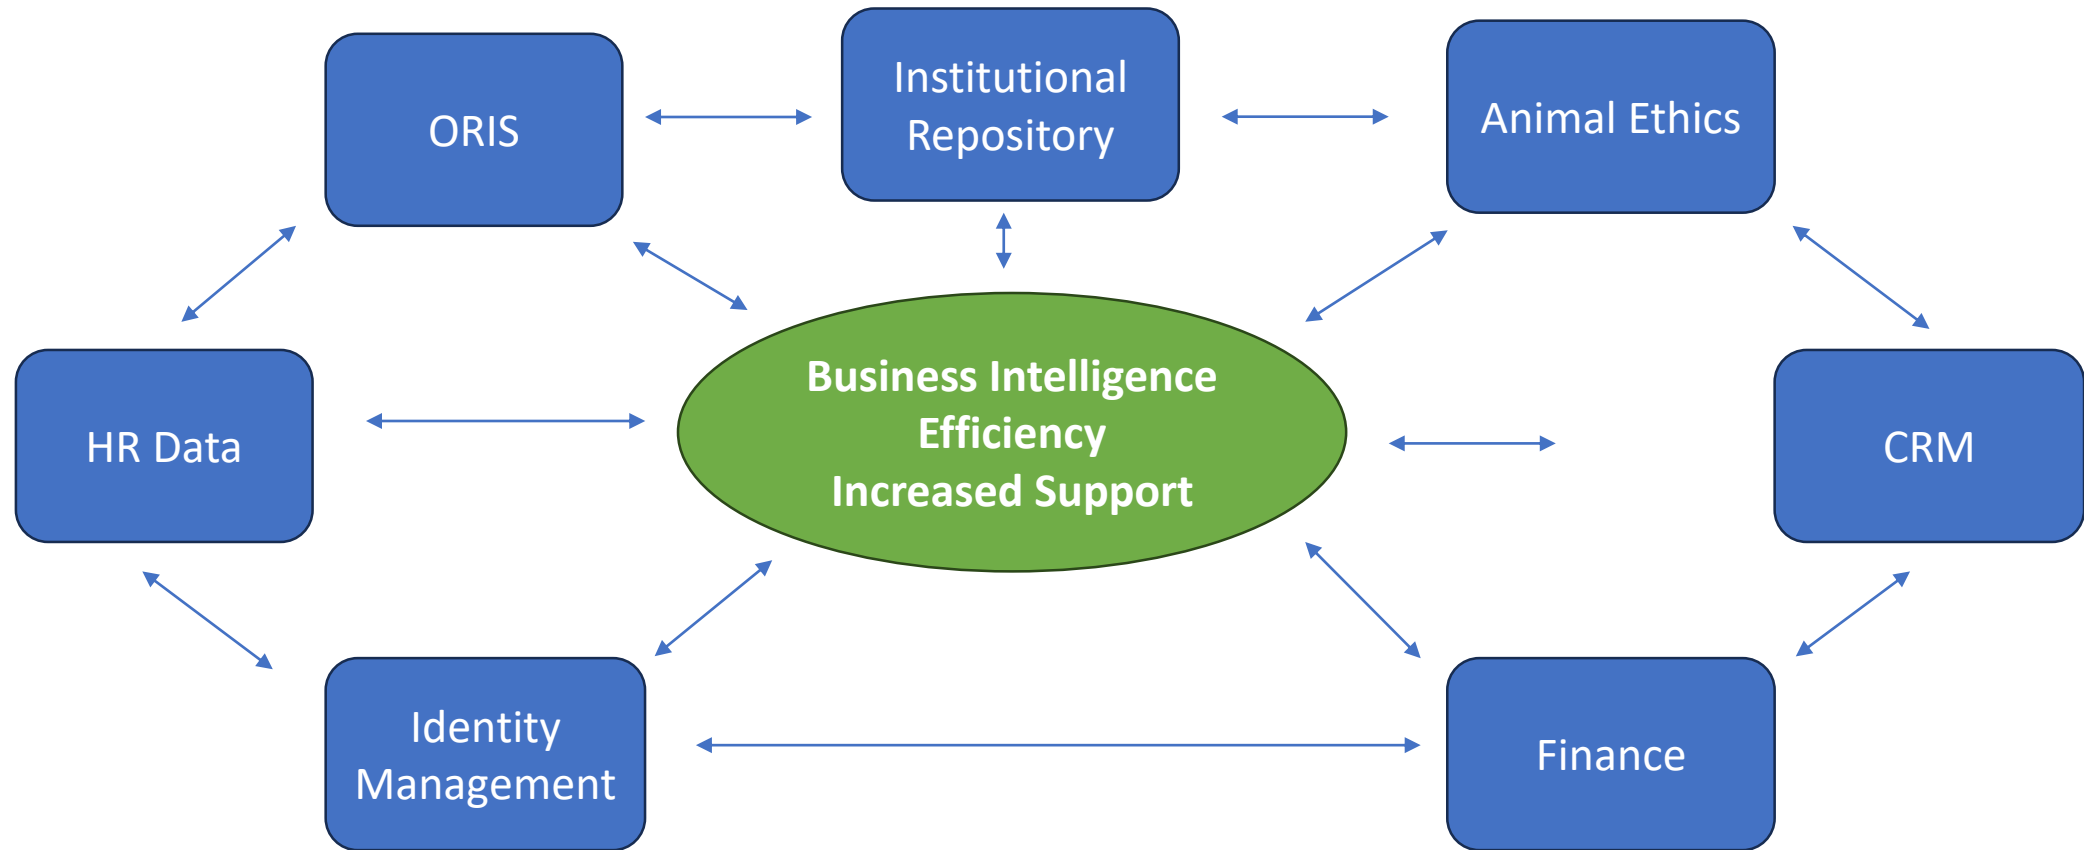

# Strand 2: What do we have and what do we need?

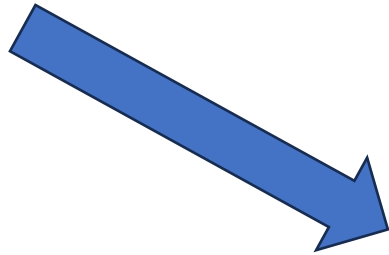

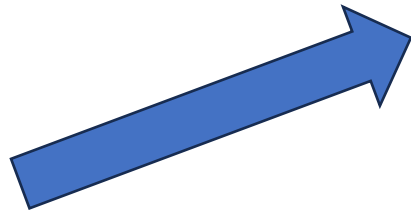

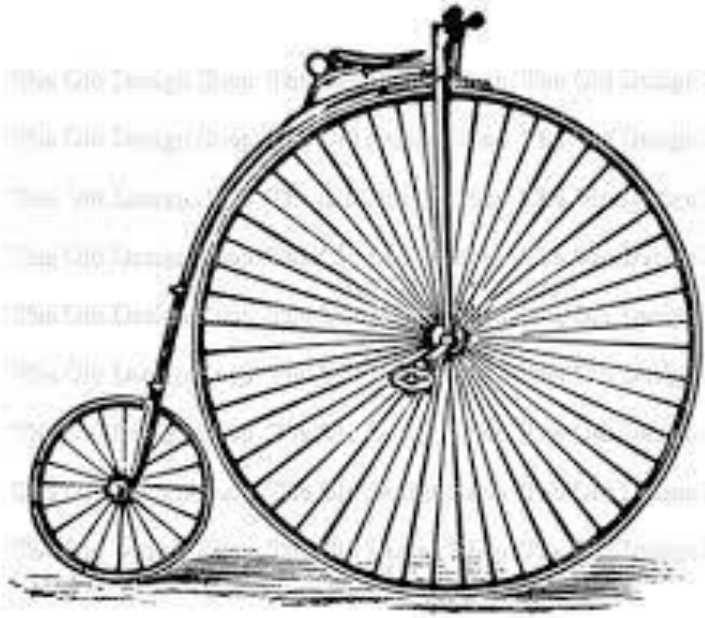

# The Research Lifecycle at Otago

# Strand 3: The ORIS project – what it is

# The ORIS project

# Case Study – Integrating Data Part
