Why are you here

What is ResBaz?

“A global digital research skills festival promoting digital literacy at the centre of modern research.”

- Workshops taught by researchers/support
- New ideas and methods
- Networking and collaboration

RESBAZ AOTEAROA

Difference

- National scale
- Online
- No sponsorships
- Wide scope for workshops

Value

- Addressing the digital research skills gap
- Mixture of short and long-form sessions
- NZ research community-building

Next Steps

- Sustaining momentum/attractive programme
- Broadening appeal to disciplines/methodologies
- Local, in-person events
- Tackling drop-off

RESBAZ QLD

Our essence

- In service of the research community for almost a decade
- In person - fun and informal setting
- Grassroots - “for researchers from researchers”

Our value proposition

- Hyper-local - lean on institutional strengths
- Hands on - practical workshops
- Brand equity - speakers and attendees know what to expect

Challenges and opportunities

- Sponsorships
- Continuity - succession
- Inclusion - RRR
- Involvement with industry
- HASS
